Dear MUSD Parents/Guardians:

Maricopa Unified School District is excited to have the opportunity of bringing all our students back for full day instruction this year. In order to better align with guidelines to accommodate this, there has been a change made to the breakfast procedures. Every student will be offered a free “Grab-n-Go” breakfast when they arrive on campus in the morning. The students will have the option of eating in the cafeteria or outside in the morning. Students will **NOT** be eating breakfast in the classrooms this year.

Breakfast will begin being served at 7:15 am, when gate opens, please allow enough time for your student to eat prior to school beginning. Please note class start times:

Grades TK/5 – 8:05 am

Grades 6/12 – 7:45 am

Due to this needed change in morning procedures, parent and bus drop off will continue to be located at the cafeteria. After school pick up will also be located at the cafeteria.

Thank you for your support and flexibility. If you have any questions, please call the school office at 661-769-8231.

Thank you

Michael Coleman
Superintendent
